

THE NEXT **HOT** THING/INFURNITURE

Downtown Truly Brown

Inspirations: Brown boxes are supposed to be boring, but not when sophisticated and citified style is setting the tone

Details: Macassar ebony and other exotic woods, taupe and chocolate upholstery, metropolitan attitudes

Think of: The coolest UPS driver on earth, chocolate addicts hitting bottom at the Tribeca Grand, the persistent color of choice for modern furnishers

LA-Z-BOY addresses the casual side of downtown living with the Sheldon sectional that combines bicast leather and suede.

EQ3 emphasizes brown variations in upholstery from the new Bobo series.

BARONET includes a drop-front desk in a cabinet from the La Pampa 84 series.
